

“*Telford Tinsel Trail*”

Saturday 23rd December 2017

For many years past, on the inspiration of the late-great Chris Dawes, the Marches Group has offered a splendid alternative to the excitement and potential expenditure of last-minute Christmas shopping.

This involves meeting up with like-minded rebels and enjoying an invigorating walk of no more than 20 miles, somewhere in the Shropshire countryside.

This year we're venturing into the World Heritage Site of the Ironbridge Gorge and gathering in the village hall at Coalport, grid ref. **SJ 696 024** post code **TF8 7HT**.

Just bring your Santa hat and a present for the bran-tub costing no more than £2, enjoy tea and toast and be ready to go from 8.00am. You'll need OS Explorer sheet **242** to go with the Route Description.
